Superior and Kentucky DISC DRILLS

Are King and Queen of all Drills. Their superiority over all competitors are too well known to need comment; suffice it to say that we placed over sixty of these Drills the past season and have yet the first complaint from a single purchaser. On the other hand every one who used them stand ready and willing to give their testimonial as to the superior work done by them, and their unanimous verdict is if you expect to purchase a Drill this season, get either the

SUPERIOR OR KENTUCKY

and no other. Do not delay placing your orders and there will be no disappointments, as is the case each season when we are forced to resort to the river and express, which makes an additional expense. Every Drill is warranted to be just as represented. Do not allow yourself to be talked into buying some inferior Drill for the sake of saving a few dollars. Remember the cheapest is not the best, but the best is always the cheapest. Respectfully,
